

WEST GRINSTEAD LOCAL HISTORY GROUP

This Group was formed in 2006 to encourage local people to understand better the Parish of West Grinstead's history and to increase knowledge of the area's past. Public meetings with a guest speaker are held on the third Tuesday of alternate months (January, March, May, July, September and November).

We also welcome those who are interested in taking part in research.

Our first project, the story of West Grinstead in World War 2 resulted in the book 'When the Whistle Blew' published in 2008. The latest project, the history of education here in West Grinstead, has just culminated in the book 'When the School Bell Rang' published in December 2011, so we are looking for a new subject. Do let us know if you have any ideas.
